

# Job Description

## VFX Coordination

BigHugFX is currently looking for a VFX Coordinator to join our production department.

### What's waiting for you:

The opportunity to work on exciting feature film projects and to support our production and project management in organization.

### What you will get to know:

Coordination and planning / scheduling / resource planning of projects, effort assessments, project monitoring and quality controls.

### Requirements:

- ☐ very good German and English skills
- ☐ reliable and independent work
- ☐ quickness to grasp new tasks
- ☐ Previous experience: Initial experience in VFX and / or coordination is not a must, but a plus
